

NAHS AP Calculus Grading

- 1) All Assessments (Quizzes, Tests, Classwork Checks) will be given online IN CLASS and MUST be taken on the district issued device (GO Guardian will be used)! Assessments will be scaled using an AP Calculus Exam comparable score scale.
- 2) Every homework counts as 1 point and IS ONLY required to be turned in as an image link on the homework google form for your class. Unless specified (and this is rare), homework is ALWAYS due by 7:00 AM the morning of your NEXT CLASS. So...you will take a picture (jpeg, pdf, etc.) save it to your google drive, share with me then use “copy link” and attach it to the assignment next to your name.
- 3) All quarter grades will be determined using the following weighting: Homework/Classwork: 10%, Quizzes: 30% and Major Unit Tests: 60%
- 4) Final course grade determined using 25% of all quarter grades.
