

Instructions for AP Calculus Class on 10/8

1) Log into AP Classroom and Select Unit 1(on the left)

2) Scroll down to the bottom as your assignment will be completing the MULTIPLE CHOICE progress checks A, B and C.

3) For MCQ Part “A”, complete #1 and #5-18 (skip 2-4).

Note: calculator allowed on #1.

4) For MCQ Part “B”, complete all problems (#1-15).

Note: calculator NOT allowed on any of these problems.

5) For MCQ Part “C”, complete all problems (#1-15).

Note: calculator allowed on #1-3.

This will count as 3 points (one for each review set).
